

Annual Report of SHRADDHA for the year 2019-20

During the year 2019-20, objectives of the society were pursued by mobilizing financial support from the members,

The Executive Body met at regular intervals and considered measures for enabling the weavers to weave products with new design and new colors. The need for weaving running yardage instead of weaving only sarees for catering to the need of the younger generations.

Affairs of the non-government organization set up for empowering the handloom weavers and allied activities in 1994 got a new dimension.

Besides medical camps were organized by mobilizing support of the allopathic and homeopathic doctors.

Financial assistance was also provided to poor students and elderly person(s) having low income.

Days of national and social significance like the Independent day, Republic day, International day for the women, International day for the Persons with Disability were organized for mobilizing community support and generating awareness about various administrative, legal and social aspects.
